

COMMITTEE REQUEST FORM

The total functioning of the Association is a result of the many volunteers who unselfishly give of their time to participate on committees.

Join in the running of your Association by signing up for the committee of your choice. The Standing Committees, Subcommittees, Exchanges, and Councils will begin working in January. If you have no preference, but wish to serve where there is a need, please leave the name blank, state your desire to serve, sign your name, and return the request form.

Committee structuring is a lengthy process, so please give us your preference as soon as possible.

Every effort will be made to place you on the standing committee, subcommittee, exchange, or council of your choice, but please bear in mind that Association Bylaws restrict and limit the appointment of certain committees. Everyone who wishes to serve will be given an opportunity to do so. Chairing and participating on committees is a steppingstone to being a Director/Officer of our Association.
